GRAPHENE

GRAPHENE-R / WHITE SHARK

White Shark GRAPHENE is an ultra-lightweight wired gaming mouse designed for players who want maximum agility, a precise sensor, and simple control in both everyday and competitive gaming. With a weight of only **47 g**, GRAPHENE allows fast movements, reduced hand fatigue, and excellent control during longer gaming sessions.

- Ultra-lightweight design — only **47 g**
- **Pixart 3327** optical sensor with up to **6200 DPI**
- Software expansion up to **12,400 DPI**
- **1000 Hz polling rate** and up to **30 G** acceleration for fast and stable response
- **6 buttons** for practical in-game control
- Durable **HUANO switches** rated for up to **20 million clicks**
- **RGB lighting** for an attractive gaming look
- **UPE skates** for smooth and controlled movement
- Matte finish for a modern and clean look
- Stable **USB 2.0** connection

With its extremely lightweight build, Pixart sensor, and software expansion up to 12,400 DPI, **GRAPHENE** is a great choice for players looking for a fast, precise, and reliable gaming mouse.
