

QILAUT STREAM DOCK

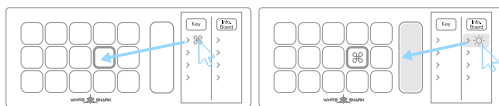

Quick Start Guide

Quick Start Guide

- 1 Download and install the Stream Dock app.
<https://www.whiteshark.gg/en/resources>
- 2 Connect Stream Dock directly to a USB port on your PC/Mac, and then launch the corresponding application.
** USB hub/docking is not recommended*

- 3 Launch the app to customize Stream Dock. Drag actions from the right panel and drop them onto your desired keys on the left.

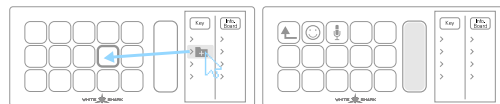

Quick Start Guide

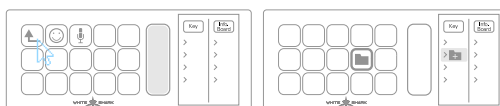

- 4 Configure your actions and personalize keys with custom icons—for best results use 126x126 pixels .jpg or .png files.

- 5 Drag and drop "Create Folder" onto a key. Then drag and drop actions into that folder.

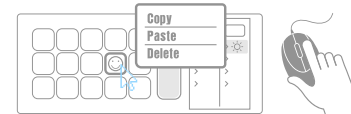

Tap the back key to exit a folder and return to your main configuration.

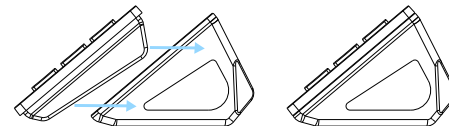

Quick Start Guide

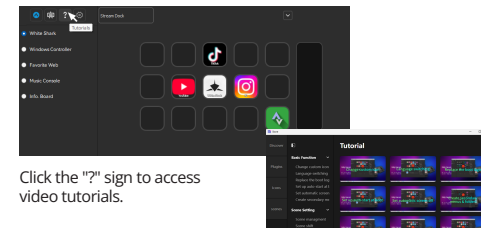

- 6 Right-click keys to copy, paste or delete them.

- 7 Use the special stand holder to get the best support.
