NAGINATA

NAGINATA / WHITE SHARK PL

White Shark NAGINATA is an ultra-lightweight wired gaming mouse designed for players who value speed, precision, and comfort in every match. Thanks to its symmetrical honeycomb shell and weight of only **60 g**, NAGINATA allows faster movements, reduced hand fatigue, and better control during longer gaming sessions.

- Ultra-lightweight honeycomb design — only **60 g**
- **Pixart PMW3389** optical sensor with up to **16,000 DPI**
- **1000 Hz polling rate**, **400 IPS**, and up to **50 G** acceleration for fast and precise response
- **6 programmable buttons** for extra control and macro commands
- Durable **OMRON switches** rated for up to **50 million clicks**
- **RGB lighting** with **16.8 million colors** and customizable effects
- Smooth movement with **PTFE skates**
- **1.8 m braided cable** and stable **USB 2.0** connection
- Matte black design for a clean and modern gaming look

With its advanced Pixart sensor, ultra-lightweight construction, and full software customization, **NAGINATA** is a great choice for players who want speed, precision, and maximum control.

SPECIFICATIONS
