RONIN WHITE US

RONIN-W-US / WHITE SHARK

White Shark RONIN is a compact membrane gaming keyboard designed for users seeking quiet and comfortable operation, reliable gaming functionality and more free space on their desk.

- **Compact 68-key layout** provides essential functionality in a practical, space-saving format
- **Membrane switches** deliver quiet and comfortable operation during gaming, work and everyday typing
- **19-key Anti-Ghosting support** ensures reliable detection of multiple simultaneous keypresses
- **LED lighting with a rainbow effect** creates a distinctive and modern gaming appearance
- **Lifespan exceeding 10 million keystrokes** provides durable and reliable everyday performance
- **USB 2.0 connectivity and a 1.5 m cable** enable simple setup and practical use
- **Compact dimensions of 311 × 102 × 38 mm, a weight of 470 g and additional riser feet** provide stability and adjustable typing angles

White Shark RONIN combines compact dimensions, quiet operation and practical gaming features, making it a reliable choice for gaming, office work and everyday use.
