FUSION

FUSION / WHITE SHARK

White Shark FUSION is an electrically adjustable gaming desk designed for users who want a very spacious, stable and ergonomically flexible surface for gaming, work or everyday use. With **1 motor**, a large **1800x750 mm** desktop and a height range from **710 to 1160 mm**, FUSION allows simple desk position adjustment according to the user's needs.

- **Electrically adjustable gaming desk** for work, gaming and everyday use
- **1 motor** for practical and simple height adjustment
- **1800x750 mm desktop dimensions** for a very spacious gaming and work setup
- **710–1160 mm height range** for use in different positions
- **Load capacity up to 80 kg** for safe gaming and work equipment placement
- **18 mm tabletop thickness** for a stable and practical surface
- **25 mm/s lifting/lowering speed** for smooth height adjustment
- **Obstacle avoidance system** for safer use
- **1.8 m cable length** for practical connectivity
- **Large desktop surface** for multiple monitors, keyboard, mouse and accessories

With electric height adjustment, a large desktop surface and practical construction, **White Shark FUSION** is an excellent choice for users who want a functional gaming desk with enough space for a complete setup.
