

KHUFU II

KHUFU-II / WHITE SHARK

White Shark KHUFU-II is a dual monitor desktop mount designed for better ergonomics, more desk space and a cleaner gaming or work setup.

- Supports **2 monitors** for more efficient multitasking and better workspace organization
- Suitable for screens from approximately **17" to 32"/35"**
- **Load capacity of up to 9–12 kg per monitor** for stable and secure use
- Compatible with **VESA 75x75 and 100x100** standards
- **Gas spring mechanism** for easier and more precise monitor adjustment
- **Tilt, swivel and rotation** functions for an ideal viewing angle and added flexibility
- **Clamp or grommet installation** for simple desk mounting
- Helps free up desk space and maintain a cleaner, more organized setup

KHUFU-II delivers a strong balance of functionality, ergonomics and modern style for users who work or game with a dual monitor setup.
