

AKHENATEN-II

AKHENATEN-II / WHITE SHARK

White Shark AKHENATEN II is a spring double monitor arm designed for users who want a cleaner, more flexible and ergonomically adjustable gaming or work setup. Suitable for **2 monitors from 17" to 32" / 43 to 81 cm**, it supports a load capacity of **2–9 kg per monitor** and offers a wide range of adjustments thanks to its **spring tension mechanism**, tilting, swiveling, rotation and height adjustment.

- **Spring double monitor arm** for a cleaner gaming and work setup
- **2 x 17"–32" / 2 x 43–81 cm screen size support** for a wide range of monitors
- **2–9 kg load capacity per monitor** for safe placement of compatible screens
- **75x75 and 100x100 mm VESA compatibility** for easy monitor installation
- **Spring tension mechanism** for precise weight and position adjustment
- **Tilt range from +90° to -90°** for vertical viewing angle adjustment
- **Swivel range from +90° to -90°** for flexible left or right screen positioning
- **Screen rotation from +180° to -180°** for horizontal or vertical monitor orientation
- **Arm full extension up to 461 mm** for practical screen positioning
- **Two mounting options: desk clamp and grommet** for compatibility with different desks
- **Built-in cable management** for an organized and neat workspace
- **Aluminum/steel/plastic materials** for a stable and functional construction
- **Matte silver color** for a modern look in gaming and office environments

With dual monitor support, flexible adjustment options and integrated cable management, **White Shark AKHENATEN II** is an excellent choice for users who want a stable, practical and ergonomic monitor arm for everyday use.
