KIMURA PRO

KIMURA-PRO / WHITE SHARK

KIMURA PRO is a multi-functional PS5 stand that combines cooling, charging and organization in one practical gaming setup accessory.

- Compatible with PS5 Digital, Disc, Slim and Pro consoles
- Built-in cooling fan helps keep the console cooler during longer gaming sessions
- 3 fan speed modes for adjustable cooling performance
- Two Type-C ports for charging two PS5 controllers at the same time
- LED charging indicator shows controller status with red and blue light
- Storage space for up to 15 PS5 games for a cleaner setup
- Side headset holder for convenient headset storage
- RGB lighting with 3 modes for a more attractive gaming look

KIMURA PRO brings cleaner organization, practical charging and extra cooling for a more functional PlayStation setup.
