NORDIC

NORDIC / WHITE SHARK

White Shark NORDIC is an electrically adjustable gaming desk designed for users who want ergonomics, functionality, and a modern look in their gaming or work setup. With its adjustable height, stable construction, and clean white design, NORDIC delivers comfort and flexibility for everyday work, gaming, and an organized workspace.

- **Electrically adjustable gaming desk with 1 motor** for easy and convenient height adjustment
- **1400 x 700 mm desktop surface** for a spacious and functional setup
- **Adjustable height from 700 to 1170 mm** for comfortable sitting or standing use
- **Load capacity up to 80 kg** for stable use with computer and gaming equipment
- **Button control panel** for quick and simple height adjustment
- **18 mm thick desktop** for a solid and stable work surface
- **Steel and aluminum construction** for reliable stability and durability
- **Matte white frame and white desktop** for a modern, clean, and minimalist appearance
- **100 – 240 V power supply and 1.8 m cable length** for practical use and easier placement
- **Assembly required** for proper and safe product use

White Shark NORDIC offers an excellent combination of ergonomics, modern aesthetics, and functionality for everyday gaming, work, and a clean setup.
